FALL 2016 NEWSLETTER

Dear Valued Client,

We hope you've enjoyed the mild fall we are experiencing! Due to this unseasonal weather, we plan to continue our final clean up services into the end of November in preparation for the snow season. This will allow us to clean up the delayed falling of pear leaves and the like. Know that we are busy preparing our snow equipment and will begin staking properties this month in order to allow for a smooth transition to the snow season. Should you have any questions or concerns regarding your property, please contact us to discuss.

Sincerely,

NOGAS LANDSCAPING

Dave Noga
